$1 for ice-creams each Friday

**Nuts and Bolts of Learning**

*Making Links*

When you use this learning muscle, you
- look for connections between experiences or ideas
- find pleasure in seeing how things fit together, make patterns
- connect new ideas to how you think and feel already
- look for analogies in your memory that will give you a handle on something complicated
Thank you to all the families who attended the bbq last week. It was a nice relaxed way for parents and staff to mix.

I have attached a copy of an abridged version of the *Melbourne Declaration of Educational Goals for Young People*, which is a declaration signed by the education ministers in 2008. It is the document which is driving the future of education. I would like you to look at the document and make notes, highlight etc what the school is currently doing and what it needs to do to achieve the goals in the document. This will further assist us in planning for the future education of the students at Yerong Creek Public School. The responses collected will be discussed at the next P&C meeting.

**Welfare Reward**
Students who have remained on Green Level this term will be going to the park for lunch on Friday 7 November.

**Wirraminna Environmental Education Centre, Burrumbuttock**
Students in K-6 went to Burrumbuttock to learn about extinct, endangered and threatened species. They also got the opportunity to view and learn about a critically endangered species which is the Corroboree frog. All students were engaged in learning about these areas.

**Updated Enrolment Forms**
Student enrolment forms were sent home last term to be filled in and signed by the parents. These forms are a department requirement and need to be done to allow permission to publish student’s information and photos on the school website and newsletter. Please return as soon as possible or contact the school to receive another form.

**Assembly**
The next school assembly will be held on Friday 7 November. Commencing at 2 pm. Students will be sharing their learning.
