Congratulations to our swimming relay team who were successful at the Riverina Swimming Carnival on Monday. They now will travel to Sydney to compete at the State carnival, and from looking at their time I feel they will be a real chance for a medal.

Congratulations also to our tennis team who were victorious against The Rock Central School on Wednesday. They now get the opportunity to play against South Wagga Public in the coming weeks.

I have started an AFL tipping competition for the students and staff beginning this week. Participation is totally voluntary and it is just for fun. I will arrange a prize for both the winner and the person coming last. Also, all students who beat me at the end of the year will get a special treat!

I have also introduced a ‘Student of the Week’ award which will be discussed and decided on by myself and the staff. It will be given to a student who displays citizenship, honesty and is doing the right thing both in class and the playground. It is already being hotly contested with many students doing as much as they can to be noticed doing the right thing!

Thank you to the parents of the children who have been involved in many extracurricular activities for getting their children back to school for the remainder of the day. It has meant we are able to resume normal lessons with the whole class in attendance.

State Tennis Knockout
The Greater Kengal Tennis team which consists of April, Jack, Rosie and Royce, have beaten The Rock team in a hard and close game yesterday. They will now progress to the next round where they will play South Wagga Public School before the end of week 9.

Riverina Swimming Carnival
The Yerong Creek team was again successful on Monday at the Riverina Swimming carnival in Albury. The team will compete in Sydney at the State Swimming Carnival in April in the PP6 division. Congratulations to the team and good luck for your next carnival.

Billabong High School Transition
The Year 6 students had their first transition day to Billabong High School today. The students joined in with other schools in the area to partake in a tour of the school and their first assembly. They then enjoyed some light sports while the parents enjoyed a morning tea with the Principal Phil Carroll and Deputy Principal Julie Bowen.

Asthma Training
The staff has refreshed their qualifications by participating in asthma training yesterday; to further their knowledge and skills should any problems ever arise.

Harmony Day
All the school will travel to Pleasant Hills Public School next Friday to enjoy a day of activities for Harmony Day. This year the Maliyaa Dance Group will perform and share their stories.
The students are asked to wear orange, the colour of Harmony Day. A lunch will be provided by the Pleasant Hills P&C for a small cost.

Please return the permission note to school by *March 17th.*

**P & C Meeting**
The next P & C Meeting will be held on Tuesday 18th March at 7.00pm.
