Nuts and Bolts of learning

Noticing - When you use this learning muscle, you-
- notice how things look, what they are made of, or how they behave
- are patient, knowing that may take time to emerge
- can identify significant detail
- get a clear sense of what, before starting to think why or how
I thoroughly enjoyed my time in Thailand. The Thai people are very friendly and happy. My niece’s wedding was lovely, and I was also pleased to miss some of the cold weather. Thank you to Jess for relieving as principal in my absence.

This week we welcome back Royce, after his participation in the NSW team at the National AFL carnival. This was a great achievement and experience for Royce. Royce was named ‘Best on ground’ against the WA team, and he captained the NSW team against Tasmania.

Today our debating team will compete against Kooringal PS in the Premier’s Debating Competition.

We welcome all parents, families and friends to attend our Education Week Open Day tomorrow.

We still have some parents who have not provided us with their car rego and driver’s licence details. Please send a copy of those to school asap.

**Lion’s Club Debating**
Both our debating teams performed very strongly last week against Holbrook PS. Unfortunately neither team won the debate.

The next round of debates will be held at Billabong HS on Thursday 21 August.

**Premier’s Debating**
April, Royce, Rosie and Luke will compete against Kooringal PS in the Premier’s Debating competition today.

We wish them luck.

**Students are asked to bring lunch to share on that day.**

**Riverina Athletics Carnival**
The Riverina Athletics carnival will be held on Monday 4th August. Craig, Luke, Jack and Royce will be competing in the P6 relay. Jack will also be competing in the Senior high jump. Good luck boys.
