**Mrs Pinn's Class News**

**Literacy**
This week the students are completing some standardised testing as well as class assessments. The Stage 3 students are creating a radio interview about a sighting of one of the last seen thylacines in the wild. Stage 2 are writing a newspaper article about a sighting of a thylacine. The students can revise concepts on [www.studyladder.com.au](http://www.studyladder.com.au).

**Number**
The students will be completing assessments on the concepts learned during Terms 3 and 4. [www.studyladder.com.au](http://www.studyladder.com.au)

**HSIE K-6**
This term our focus is on environmental sustainability.
K-2 The students will be identifying why the Stan Galvin Park is an important site in Yerong Creek.
Stage 2 The students are writing a letter to Lockhart Shire Council requesting an information sign at The Chines Crossings. They will be making a model of The Chinese Crossing using Minecraft.
Stage 3 The students will be writing a nomination for an Australian Heritage site to be upgraded to a World Heritage site.

Gayle
Mrs Morey's Class News

**Literacy-**
Students this week will be tested on their development in Literacy over the year. Students in Kindergarten will be learning how to use plurals to show more than one object using s at the end of their word eg dog/dogs. Students in Year 1 will learn how suffixes gives meaning to words for example adding *re* in front of a words means to do it again e.g. redo, regain, reapply, replace. Students will participate in guided reading sessions throughout the week and will complete comprehension activities on the skill of predicting. Predicting- involves thinking ahead while reading and anticipating information and events in the text. Kindergarten students will be also participating in learning how to effectively use a keyword.

**Number-**
 Kindergarten- Will learn about how to form groups and sharing in multiplication and division. They will also be involved in testing for number. Stage 1-Students will learn how to create arrays and understand their importance to assist with multiplication and division. Students will be also looking at how repeated addition is an effective way to work out multiplication facts.

**Fitness-**
Es1-St1:
St2-St3:

**Health-**
Es1- Students will talk about activities they do as a family.
St 1- Students will talk about new experiences they encounter and their emotions.
St 2- Students will talk about factors that influence participation in sport.
St 3- Students will finish recording progress on their fitness program. They will be finishing their ad on the negative effects of smoking when participating in sport.

**Art-**
Es1- Students will be manipulating photos using an iPad app called Photo Lab.
St 1- Students will be making a comic on David Hockney and using the iPad comic making apps to assist them.
St 2/St 3- Students will be creating a photo college like David Hockney about the environment around the school.

**Drama:**
Students continue to practice and learn music that is a part of the play.
